PROVO, Utah (May 30, 2007)

The BYU men's soccer team is headed to Ogden for the sixth game in the 2007 PDL season. The Cougars are in first place in the Northwest Division of the PDL, boasting a record of 4-1-0 while Ogden has struggled with a 1-3-0 record.

This will be the first of four meetings between the rivals this season. Last year, the Cougars won three of the four games they played against the Ogden Outlaws, but every match was close as each team tried to prove they were the best in the state.

"We're excited to play against great in-state competition," said BYU head coach Chris Watkins. "The energy is always high when we play the Outlaws. We're going to have to play our very best game to win."

The game will be played at 7:00 p.m. at Ogden High School.
