The Cougars are headed to Washington to play against the Spokane Spiders on Saturday, July 7th. The Cougars currently hold first place in the Northwest Division of the PDL with a standing of 9-1-1. The Spiders are at 5-6-0.

"Spokane is a good team," said BYU's team captain Brock Trejo. "In my opinion, they're probably one of the better teams in our conference. They have a lot of technical ability and they can move the ball. So for us it's just important that we're able to spread the field out and keep the ball in order to control the game."

When the Cougars took on the Spiders in May for the first time this season, the game was scoreless until the 72nd minute. Spokane scored a goal and BYU answered back with three goals in the last three minutes of the game.

Saturday's match against Spokane is set for 7:05 p.m. at Spokane Falls Community College.
